

Volunteer Opportunity with Jobs for New Jersey's Graduates (JNJG) May 13, 2020

Jobs for America's Graduates (JAG) is a state-based national non-profit organization dedicated to preventing dropouts among young people who are most at-risk. In more than three decades of operation, JAG has delivered consistent, compelling results – helping more than 1.35 million young people stay in school through graduation, pursue postsecondary education, and secure quality entry-level jobs leading to career advancement opportunities.

There are two in-state conferences held annually for the 350+ students in Newark, Carteret, Camden, New Brunswick, Little Egg Harbor and Vineland who participate in Jobs for New Jersey's Graduates (JNJG). The spring Career Development Conference (CDC) provides students the opportunity to engage in friendly competitions to demonstrate their employability and leadership skills and be recognized for their achievements.
