JAG NJ Leaders Represented New Jersey at the National Student Leadership Academy (NSLA)

Nine students, from Pinelands Regional High School and Carteret High School, served as JAG ambassadors for the state of New Jersey in November. Leaders from across the JAG 39-state network traveled to Washington, D.C. for the annual National Student Leadership Academy where they participated in workshops and networked with leaders. They also visited Senator Cory Booker's and Congressman Donald Payne's offices.

JAG NJ Advisory board members attended NSLA events and JAG National's 40th Anniversary Gala.
